IBX-R4

LIVINGVOICE

Positioned right at the centre of the Living Voice floor-standing loudspeaker range, the IBX-R4 does pretty much everything right: whether playing at low or high volume levels, whether the music is simple or complex, whether driven by basic or sophisticated amplification – it is equally at home.

All genres of music are experienced to their full potential, the performance is dynamic, balanced and effortless.

Deceptively simple in appearance, the IBX-R4s wrap fastidious engineering and an obsessive attention to detail in elegant, beautifully-finished cabinets.

The IBX-R4 is a compelling musical companion that rewards on so many levels.
